## **Attention School Administrators:**

Give your students the exciting opportunity to participate in Reach Out!- a live, virtual dance program sponsored by Repertory Dance Theatre and designed & presented by Creativity Moves Lehigh Valley, LLC.

RDT's mission is to encourage, identify, and train young people to get involved in the field of dance as a profession and/or avocation. RDT annually performs the Nutcracker at Miller Symphony Hall. RDT provides free dance training for inner city students and artist-in-residence programs for inner city schools, as well as conducts educational, outreach programs in collaboration with other arts organizations throughout the Lehigh Valley.

CMLV aims to address the development of the whole dancer through brain-based strategies and a holistic curriculum. We strive to create developmentally appropriate movement opportunities to encourage each dancer to communicate confidence and compassion as they move creatively along their chosen path. This virtual residency will consist of six 45-minute Creative Movement classes which focus on the foundational movement concepts of Body, Energy, Space, & Time and culminates in students creating their own dance! Classes are taught by CMLV founder and teaching artist, Angie Lichtenwalner.

In order for your students to have the best possible experience in this program, please take note of the following safety guidelines:

- Please advise your students to clear a small space to move in front of their virtual learning area, that is clear of toys, furniture, area rugs, cords, plants, and/or pets
- Your students should wear comfortable clothing that is easy to move in and keep long hair pulled back on dance days
- Large jewelry should be taken off before class
- Barefoot is best (that means socks off, especially on slippery tile or hardwood floors)
- Feel free to join in and move together with your students, if you are able!
